

**NotaryCam has notarized documents worldwide for more than a million customers in all 50 states and more than 146 countries.**

Get your document legally notarized in minutes.

## Why NotaryCam?

NotaryCam is a remote online notary service available to clients through links on Fidelity.com:

- Forms & Applications
- Authorization Others to Access Your Account
- How to Set up a Power of Attorney
- Covid-19 Resource Center

NotaryCam is one option to help clients access notarial services online.

## Benefits

Get your document legally notarized in minutes, any time of day, or location.

No specialized hardware needed. Requires only a webcam and mic/speakers.

Embeds tamper seal security features into the document to protect the validity of the signature.

The legal validity of e-signatures is well established by the E-SIGN Act of 2000 and UETA.

## How it Works

To use NotaryCam, have a PDF or Word file of the form, a valid government issued color ID, steady internet connection, and a device with a webcam and audio to meet with the notary online.

- Upload the document
- Connect to a live Notary and confirm your identity face-to-face on a webcam.
- Document is electronically signed and an eNotary seal is applied.
- Document is immediately available for download.

NotaryCam and Fidelity Investments are independent entities and are not legally affiliated.
