

College Test Preparation

ACT offers support to employees and their children on their journey preparing for college with key ACT college planning resources.

Why ACT?

ACT provides leading college and career readiness solutions. They help students with support for college including test prep courses and tools to aid student performance

- They are grounded in 60 years of research
- Creator of the ACT test which assesses mastery of college readiness standards among high school students
- A variety of test prep solutions available including live online instruction, self-paced or the official ACT test guidebook, and ACT Academy™ a free online learning tool and test practice program designed to boost test performance

Benefit to Employees

Employees with high school-aged children looking for extra help in preparing for ACT college tests, might benefit from:

- Convenient access to low-priced comprehensive ACT test preparation services including:
 - Free online practice tools & programs including access to the best-selling guidebook “Official ACT Prep Guide”
 - Official ACT Prep Pack and ACT Academy
- Special access through Fidelity to a collection of key college planning resources and information

Benefit to Employers

Provides support for employees with children or family members planning for college or secondary education:

- Give employees peace of mind that their child is prepared for their biggest college-related tests
- Alleviates the household stress of preparing for test day, which can often take weeks or months of preparation
- Helps parents avoid taking their child’s college-related stress to the workplace

ACT’s work to transform the very nature of learning and measurement over six decades has helped millions of students and career professionals define and achieve success¹.
