Did you know that if you take advantage of your <workplace savings plan>, you're likely to have 5 times more savings as you plan for the future?¹ That's why <your employer> offers it as part of your benefits.

And that's why it's so important to sign up now.

<Don't miss your chance to take advantage of your company match—when you contribute, your employer does too.>

<What's a <workplace savings plan>?

It's an investing account for you to use in retirement. By contributing a portion of your pre-tax dollars from your paycheck (meaning less taxable income in that year) into an account which puts your money to work for you.>

You have until <date> to enroll in your <workplace savings plan>. If you don't take action, you'll be enrolled in your plan's default option.²
